Cardinal.
Shimmer of heat on the prairie
way,
Glory of goldenrod
Cone flower, aster, salvia gay,
Cheering the dusty sod.

Here where the path dips to the
wood
Shading the river's flow,
Cardinal flower with cardinal
hood
Flames in a papal glow.

Mirrored below in the forest pool,
Gilded by true bea's tail,
Echoed above by the cardinal
male
Giving his doe mate call.

This the cathedral, this the
word
Baptismal font and hood;
Cardinal flower and cardinal
bird.
Pope of the autumn wood.
